

GRIP INSERTS - RANSOM GRIP INSERTS FOR STEALTH ARMS PLATYPUS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STEALTH ARMS PLATYPUS
- Manufacturer: RANSOM
- Product no.: 430119595
- Mfr. No.: 30-300-80-01
- Delivery weight: 0.907kg
- UPC: 810132582479

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung von GRIP INSERTS RANSOM GRIP INSERTS FÜR STEALTH ARMS PLATYPUS

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für Stealth Arms Platypus! Diese Inserts sind speziell entwickelt, um die Leistung deiner Master Series Ransom Rest zu maximieren. Um die Sicherheit und optimale Nutzung zu gewährleisten, befolge bitte die folgenden Sicherheitshinweise.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur gemäß den Anweisungen verwendest.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Halte die Inserts und andere Teile deines Gewehrs von Kindern und unbefugten Personen fern.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.
- Informiere dich regelmäßig über Rückrufaktionen auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um Rückstoßkräfte richtig zu absorbieren.
- Vermeide die Verwendung von Inserts, die nicht von RANSOM hergestellt wurden, da diese nicht die gleiche Qualität und Sicherheit bieten.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass das Gewehr sicher und stabil auf einer geeigneten Unterlage liegt.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Verwendung der Grip Inserts:

- Teste die Funktionalität der Inserts vor der ersten Verwendung.
- Achte darauf, dass die Inserts während des Schusses in Position bleiben.
- Überwache die Leistung deines Gewehrs und notiere eventuelle Veränderungen oder Probleme.

3. Regelmäßige Wartung:

- Überprüfe die Inserts regelmäßig auf Risse oder andere Schäden.
- Reinige die Inserts nach jedem Gebrauch, um Schmutz und Ablagerungen zu entfernen.
- Bei Anzeichen von Abnutzung oder Beschädigung, ersetze die Inserts sofort.

Entsorgungsanweisungen

- Entsorge beschädigte oder nicht mehr benötigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, bevor du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu deinem Produkt, wende dich bitte an den Kundenservice von RANSOM. Du findest die Kontaktdaten auf der offiziellen Website oder in der Produktverpackung.

Durch die Einhaltung dieser Sicherheitshinweise trägst du dazu bei, die Sicherheit und die Leistung deines Gewehrs zu maximieren. Vielen Dank, dass du dich für RANSOM entschieden hast!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR STEALTH ARMS PLATYPUS

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance the functionality of your Master Series Ransom Rest while ensuring safety during use. This guide provides important safety information, usage instructions, and disposal guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Be aware of potential hazards associated with hard grip inserts or 3Dprinted plastic inserts, which can cause damage to your firearm.
- Always use the grip inserts as intended to avoid accidents or injuries.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic inserts. These can generate destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped but can be controlled. Using the correct inserts helps absorb these forces.
- **Monitor for Damage:** Although damage may not be immediately visible, it can accumulate over time with each shot. Inspect your firearm regularly.
- **Use as Intended:** Ensure that the grip inserts are used in conjunction with the Ransom Rest for optimal performance and safety.
- **Educate Yourself:** Familiarize yourself with the proper functioning and benefits of the grip inserts to make informed decisions regarding their use.

Instructions for Installation and Usage

1. Installation:

- Ensure your Ransom Rest is clean and free from any obstructions.
- Align the grip inserts with the designated slots on the Ransom Rest.
- Press the inserts firmly into place until they are secure.
- Doublecheck that the inserts are properly installed before use.

2. Usage:

- Place your firearm securely in the Ransom Rest equipped with the grip inserts.
- Ensure that the firearm is stable and that the inserts are absorbing recoil as intended.
- Conduct your testing or shooting in a controlled environment to minimize risks.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Disposal Instructions

- Dispose of any used or damaged grip inserts in accordance with local regulations.
- Do not throw inserts in regular household waste if they are made from materials that require special disposal methods.
- Check with local waste management services for proper disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the manufacturer's customer service resources or consult with your local firearms expert.

By following these guidelines, you can ensure a safer and more effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting activities.

Guida alla Sicurezza per i Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni essenziali sulla sicurezza, l'uso corretto e la manutenzione dei Grip Inserts. È importante seguire queste istruzioni per garantire prestazioni ottimali e ridurre al minimo i rischi.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM con il tuo Master Series Ransom Rest. Non utilizzare inserti rigidi o stampati in 3D.
- Leggi attentamente tutte le istruzioni e le avvertenze prima dell'uso.
- Controlla regolarmente i Grip Inserts per segni di usura o danni.
- Non lasciare mai l'arma incustodita durante l'uso.
- In caso di problemi o domande, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti rigidi, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Evita di posizionare l'arma in una posizione instabile o non sicura durante l'uso.
- Assicurati che l'area di tiro sia libera da ostacoli e persone non autorizzate.
- Utilizza sempre occhiali protettivi e altre attrezzature di sicurezza durante il tiro.
- Segui le normative locali e nazionali relative all'uso delle armi.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti precedenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di installazione per garantire una presa sicura.
- Inserisci i Grip Inserts RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano ben fissati e privi di movimenti.

2. Uso:

- Posiziona l'arma nel Ransom Rest in modo che sia stabile e sicura.
- Prima di iniziare a tirare, verifica che l'arma sia in condizioni di funzionamento e che gli inserti siano in buone condizioni.
- Effettua un collaudo iniziale per assicurarti che gli inserti assorbano correttamente il rinculo.
- Monitora le prestazioni degli inserti durante l'uso e sostituiscili se necessario.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM sono progettati per una lunga durata, ma alla fine potrebbero necessitare di smaltimento.
- Segui le normative locali per lo smaltimento dei materiali di plastica e dei componenti dell'arma.
- Non gettare gli inserti in contenitori per rifiuti non riciclabili.

Informazioni di Contatto per Ulteriori Supporto

Per domande o dubbi riguardanti la sicurezza e l'uso dei Grip Inserts RANSOM, ti invitiamo a contattare un professionista qualificato o a consultare il rivenditore presso cui hai acquistato il prodotto. Assicurati di avere a

disposizione il numero di modello e altre informazioni pertinenti.

Conclusione

Seguire queste linee guida di sicurezza è fondamentale per garantire un'esperienza di tiro sicura e soddisfacente. I Grip Inserts RANSOM sono progettati per migliorare le prestazioni e la sicurezza, ma il loro corretto utilizzo è essenziale. Grazie per aver scelto RANSOM e per il tuo impegno nella sicurezza durante il tiro.
