

GRIP INSERTS - RANSOM GRIP INSERTS FOR SMITH & WESSON M&P .22 COMPACT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SMITH & WESSON M&P .22 COMPACT
- Manufacturer: RANSOM
- Product no.: 430119597
- Mfr. No.: 30-300-26-25
- Delivery weight: 0.907kg
- UPC: 810132582752

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR SMITH & WESSON M&P .22 COMPACT

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS Ransom Grip Inserts für die Smith & Wesson M&P .22 Compact. Diese Anleitung soll dir helfen, das Produkt sicher zu verwenden und mögliche Gefahren zu vermeiden. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Überprüfe regelmäßig den Zustand deiner Inserts auf Risse oder Beschädigungen.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte und Unfälle umgehend den zuständigen Behörden.
- Halte dich über Rückrufupdates auf der EU Safety Gate Plattform informiert.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine ordnungsgemäße Funktion zu gewährleisten.
- Verwende die Inserts nur mit der Smith & Wesson M&P .22 Compact, um sicherzustellen, dass sie korrekt passen und funktionieren.
- Sei dir bewusst, dass harte Inserts schädliche Rückstoßenergien erzeugen können, die deine Waffe beeinträchtigen.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts vorsichtig aus deinem Gewehr.
- Reinige die Halterung gründlich, um Schmutz und Rückstände zu entfernen.
- Setze die neuen GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegung zulassen.

2. Verwendung der GRIP INSERTS:

- Halte das Gewehr immer mit beiden Händen fest, um die Kontrolle zu behalten.
- Achte darauf, dass du beim Schießen eine stabile Position einnimmst.
- Lass die Inserts die ersten Millisekunden des Schusses absorbieren, um den Rückstoß zu minimieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für gefährliche Abfälle.
- Verwende keine Inserts, die nicht mehr funktionsfähig sind, um Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler.

Diese Anleitung dient dazu, die Sicherheit bei der Verwendung der GRIP INSERTS zu gewährleisten. Halte dich an alle Hinweise und Vorsichtsmaßnahmen, um ein sicheres und effektives Schießen zu ermöglichen.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR SMITH & WESSON M&P .22 COMPACT

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specially designed for use with the Master Series Ransom Rest to ensure accurate testing while safeguarding your firearm. This guide provides important safety instructions and precautions to ensure the safe use of this product.

General Safety Guidelines

- Ensure that the product is used according to the guidelines provided in this manual.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts as they can cause damage to your firearm.
- Always inspect the product for any signs of wear or damage before use.
- Store the grip inserts in a dry and safe location, away from children and pets.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Using hard grip inserts can generate destructive recoil energy that can damage your firearm.
 - Hard inserts do not mimic humanlike recoil, leading to invalid test results.
- **Understanding Recoil Dynamics:**
 - Physics dictates that every action has an equal and opposite reaction; therefore, recoil cannot be eliminated but can be controlled.
 - Grip inserts are designed to absorb recoil and vibration, preventing damage to the firearm.
- **Potential Risks:**
 - Using hard inserts may decrease the lifespan of your firearm and could lead to injury or death.
 - Damage from improper use may not be immediately visible but can accumulate over time.
- **Testing Accuracy:**
 - For accurate testing, it is essential to mimic human handling; otherwise, the results may be flawed.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom Grip Inserts into the designated area of the Ransom Rest.
- Ensure that the inserts fit securely and do not move when the firearm is placed.

2. Usage:

- Always conduct tests in a controlled environment.
- Monitor the condition of the inserts after each use; replace them if any signs of wear or damage are observed.
- Avoid using the Ransom Rest with hard grip inserts or 3Dprinted inserts under any circumstances.

3. PostUse Care:

- Clean the grip inserts as per the manufacturer's instructions.
- Store the inserts in a safe place to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are made of materials that can be recycled or require special handling.

Contact Information for Further Support

For any inquiries regarding the safety and use of this product, please refer to the designated EU contact point provided with your purchase. Ensure that you have your product information ready for any support needed.

By following these guidelines and precautions, you can ensure the safe and effective use of your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Guida alla Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS PER SMITH & WESSON M&P .22 COMPACT

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Smith & Wesson M&P .22 Compact. Questo prodotto è progettato per migliorare le prestazioni della tua arma e garantire un uso sicuro. È importante seguire attentamente le linee guida di sicurezza e le istruzioni di utilizzo per proteggere te stesso e gli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti per grip rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore e le normative locali riguardanti l'uso delle armi da fuoco.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di problemi o malfunzionamenti, contatta un professionista qualificato per assistenza.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il grip insert se presenta segni di usura o danni.
- Assicurati che l'inserto sia correttamente installato prima di ogni utilizzo.
- Controlla frequentemente l'inserto per eventuali segni di deterioramento.
- Evita di utilizzare l'arma in condizioni estreme che potrebbero influenzare le prestazioni dell'inserto.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
2. **Installazione:**
 - Rimuovi l'inserto precedente, se presente.
 - Posiziona il GRIP INSERT RANSOM nell'alloggiamento designato dell'arma.
 - Assicurati che l'inserto sia allineato correttamente e fissato saldamente.
3. **Controllo:** Dopo l'installazione, verifica che l'inserto non si muova e sia ben fissato.
4. **Uso:**
 - Utilizza l'arma in un ambiente sicuro e controllato.
 - Segui sempre le pratiche di tiro sicure e responsabili.

Istruzioni per lo Smaltimento

- Non gettare il prodotto nella spazzatura domestica.
- Segui le normative locali per lo smaltimento dei materiali di arma e accessori.
- Contatta un centro di smaltimento autorizzato per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, ti invitiamo a contattare il produttore o un professionista qualificato.

Conclusione

Seguendo queste linee guida di sicurezza, puoi sfruttare al meglio i GRIP INSERTS RANSOM per il tuo Smith & Wesson M&P .22 Compact, garantendo una maggiore protezione per te e per gli altri. La tua sicurezza è la nostra priorità.
