

DEADLOCK CHARGING HANDLE CQB FOR DANIEL DEFENSE PCC - SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR DANIEL DEFENSE PCC BLACK

SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR DANIEL DEFENSE PCC Developed for the Daniel Defense MILE team and intended for military and law enforcement applications, this proprietary charging handle brings Sentry Manufacturing's patented technologies to the Daniel Defense PCC platform, delivering exceptional performance, reliability, and long-term durability. Designed for demanding operational environments, it enhances weapon handling while helping ensure consistent function under adverse conditions. The charging handle utilizes patent-pending dual-locking technology to reduce the risk of inadvertent charging handle movement caused by equipment snags or accidental contact. By minimizing unintended movement, the system helps reduce the potential for weapon malfunctions and increases confidence during critical use. Its independent dual-latch architecture allows the charging handle to remain operational even if one wing becomes damaged. The design also provides balanced actuation forces, resulting in smooth, consistent manipulation and improved user control from either side. Advanced gas-management technology includes a patented hard-stop gas key channel and full upper-receiver encompassing high-shelf geometry. These features work together to significantly reduce gas blowback to the shooter, enhancing comfort and performance during extended firing sessions. Aggressive texturing on both the operating wings and activation buttons ensures a secure, positive grip in challenging conditions. Whether wearing gloves or operating in wet, muddy, or high-stress environments, users can maintain reliable control and manipulation of the charging handle. A reinforced angled gusset at the gas key contact interface provides increased structural strength, delivering approximately 30% greater durability than conventional charging handle designs. This enhanced construction helps the charging handle withstand the rigors of hard use and repeated cycling. Precision-machined from 7075-T6 aircraft-grade aluminum and finished with MIL-SPEC Type III hard-coat anodizing, the charging handle offers outstanding resistance to wear, corrosion, and environmental exposure while maintaining long service life. Each DEADLOCK charging handle includes a button override pin, allowing conversion to traditional charging handle operation when desired. The assembly also incorporates U.S.-manufactured extreme-duty hardware throughout, ensuring dependable performance and durability in professional applications. FEATURES Patented DEADLOCK dual locking system that eliminates snags from causing unwanted weapon charging or malfunctions Truly ambidextrous wing design with independent latch engagement; allowing the charging handle to continue normal operation with either wing missing. This design also provides equal wing tension for smoother operation Aggressive wing and button texturing provide a secure grip in even the harshest environments Angled gusset at gas key contact point proves 30% greater strength than standard charging handles, resulting in less failures during hard use All handles ship with a button override pin, allowing the button to be pinned forward and DEADLOCK to be used as a traditional charging handle Patented shortened hard stop gas key channel and complete upper encompassing high shelf design for unparalleled gas blowback mitigation ALL parts are precision milled from aircraft grade 7075 aluminum and type III hard anodized for longevity and corrosion resistance Extreme duty, US made hardware

Attributes

- Name: SENTRY MANUFACTURING DEADLOCK CHARGING HANDLE CQB FOR DANIEL DEFENSE PCC BLACK
- Manufacturer: SENTRY MANUFACTURING
- Product no.: 430119819
- Mfr. No.: 1003-000-BLK
- Finish: Black
- Hand: Ambidextrous
- Material: Aluminum 7075-T6
- Model: DD PCC
- Weapon type: Daniel Defense
- Delivery weight: 0.227kg
- Shipping height: 203mm
- Shipping width: 76mm
- Shipping length: 76mm
- UPC: 669185876956

Sicherheitshinweise für den DEADLOCK CHARGING HANDLE CQB

Einführung

Herzlichen Glückwunsch zu deinem Kauf des DEADLOCK CHARGING HANDLE CQB für die Daniel Defense PCC! Dieser Ladehebel wurde entwickelt, um die Handhabung deiner Waffe zu verbessern und gleichzeitig höchste Sicherheitsstandards zu gewährleisten. Bitte lese diese Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du alle Anweisungen und Sicherheitsvorkehrungen in diesem Handbuch befolgst.
- Verwende das Produkt nur für den vorgesehenen Zweck.
- Halte das Produkt außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Überprüfe regelmäßig den Ladehebel auf Beschädigungen oder Abnutzung.
- Melde unsichere Produkte oder Vorfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende den Ladehebel nur mit der Daniel Defense PCC.
- Achte darauf, dass der Ladehebel ordnungsgemäß installiert ist, bevor du die Waffe benutzt.
- Vermeide es, den Ladehebel unter extremen Bedingungen oder bei unsachgemäßer Handhabung zu verwenden.
- Bei Anzeichen von Beschädigung oder Fehlfunktion, stoppe die Nutzung und kontaktiere den Hersteller.
- Halte die Finger während des Ladevorgangs von der Mündung der Waffe fern.

Anweisungen für Installation und Nutzung

Installation

1. **Vorbereitung:** Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
2. **Entfernen des alten Ladehebels:** Wenn du einen bestehenden Ladehebel hast, entferne diesen vorsichtig gemäß den Anweisungen des Herstellers.
3. **Installation des DEADLOCK CHARGING HANDLE:**
 - Setze den Ladehebel in die vorgesehene Halterung ein.
 - Achte darauf, dass der Ladehebel richtig eingerastet ist und fest sitzt.
4. **Überprüfung:** Stelle sicher, dass der Ladehebel frei beweglich ist und korrekt funktioniert.

Nutzung

- Um die Waffe zu laden, ziehe den Ladehebel nach hinten und lasse ihn dann los, um die Kammer zu füllen.
- Achte darauf, die Waffe immer in eine sichere Richtung zu halten.
- Teste den Ladehebel regelmäßig auf Funktionalität und Sicherheit.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für Elektroschrott und andere Materialien.
- Achte darauf, dass alle Teile des Ladehebels sicher entsorgt werden, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Unterstützung und Informationen über Sicherheit und Nutzung des DEADLOCK CHARGING HANDLE CQB, wende dich bitte an den Hersteller oder den Verkäufer.

Bitte beachte, dass diese Sicherheitshinweise in Übereinstimmung mit der EUVerordnung über die allgemeine Produktsicherheit (GPSR) erstellt wurden. Halte dich an die Anweisungen, um eine sichere Nutzung des Produkts zu gewährleisten.

Safety Instruction Guide for DEADLOCK Charging Handle CQB for Daniel Defense PCC

Introduction

Thank you for choosing the DEADLOCK Charging Handle CQB for your Daniel Defense PCC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage to maximize your safety and the performance of your charging handle.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the charging handle.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Use the charging handle only for its intended purpose as described in this manual.
- Keep the charging handle and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the charging handle for wear and damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe product incidents or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye protection while handling firearms.
- Ensure that the firearm is pointed in a safe direction at all times during installation and use.
- Do not attempt to modify the charging handle beyond the instructions provided in this manual.
- Be aware of your surroundings and ensure you have a clear and safe area for operation.
- If you experience any issues with the charging handle during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Charging Handle:** If applicable, carefully remove the existing charging handle from your PCC by following the manufacturer's instructions.
3. **Install the DEADLOCK Charging Handle:**
 - Align the charging handle with the receiver.
 - Slide it into place until it is fully seated.
 - Ensure that the handle is secure and functions properly by pulling it back and releasing it.
4. **Final Check:** Once installed, check that the charging handle operates smoothly and does not obstruct any other firearm functions.

Usage

- To operate the charging handle, grasp the handle firmly with your dominant hand.
- Pull the handle back to chamber a round or clear the chamber as needed.
- Always ensure that your grip is secure, especially in adverse conditions such as wet or muddy environments.
- If the charging handle becomes stuck, do not force it. Instead, assess the situation and address any potential obstructions.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal recycling or hazardous materials.
- Do not dispose of the charging handle in regular household waste.
- If the charging handle is damaged beyond repair, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the DEADLOCK Charging Handle CQB, please refer to the manufacturer or authorized dealer for assistance. Ensure that you keep this manual for future reference and safety information.

By following these guidelines, you can ensure a safe and effective experience with your DEADLOCK Charging Handle CQB for Daniel Defense PCC. Thank you for your attention to safety and responsible firearm handling.

Guida alle Istruzioni di Sicurezza per la Maniglia di Ricarica DEADLOCK CQB

Introduzione

La maniglia di ricarica DEADLOCK CQB per Daniel Defense PCC è progettata per garantire prestazioni eccezionali in applicazioni professionali, come quelle militari e di polizia. Questo documento fornisce linee guida di sicurezza per l'uso e la manutenzione del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'Unione Europea (GPSR).

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per gli scopi previsti.
- Controlla regolarmente la maniglia di ricarica per eventuali segni di usura o danni.
- Non utilizzare la maniglia se presenta difetti visibili o se non funziona correttamente.
- Segui tutte le istruzioni di installazione e utilizzo per garantire un funzionamento sicuro.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza sempre la maniglia di ricarica in un ambiente sicuro e controllato.
- Assicurati che l'arma sia scarica prima di installare o rimuovere la maniglia.
- Non forzare mai la maniglia di ricarica; in caso di resistenza, controlla se ci sono ostruzioni.
- Evita di utilizzare la maniglia in condizioni estreme che potrebbero comprometterne l'integrità.
- Se la maniglia di ricarica si danneggia durante l'uso, interrompi immediatamente l'uso e contatta un professionista per la valutazione.

Istruzioni per l'Installazione e l'Uso

1. Installazione della Maniglia di Ricarica

- Assicurati che l'arma sia completamente scarica.
- Rimuovi la maniglia di ricarica esistente (se presente) seguendo le istruzioni del produttore.
- Posiziona la maniglia di ricarica DEADLOCK CQB nella posizione corretta.
- Fissa la maniglia utilizzando il perno di override del pulsante, se necessario.
- Controlla che la maniglia sia saldamente in posizione prima di utilizzare l'arma.

2. Uso della Maniglia di Ricarica

- Afferrala saldamente con una presa sicura.
- Attiva il gancio indipendente per un funzionamento fluido.
- In caso di inceppamento, segui le procedure di emergenza per risolvere il problema senza forzare la maniglia.
- Dopo l'uso, controlla la maniglia per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento di prodotti in alluminio.
- Non smaltire il prodotto nell'ambiente naturale.
- Contatta le autorità locali per informazioni sullo smaltimento sicuro dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare un prodotto difettoso, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti al momento della richiesta di assistenza.

Questa guida è stata redatta per garantire un uso sicuro e responsabile della maniglia di ricarica DEADLOCK CQB. Segui sempre queste istruzioni e rimani informato su eventuali aggiornamenti o richiami attraverso il sistema Safety Gate dell'Unione Europea.
