Miniature Lock Safety Instruction Guide

Introduction

Thank you for choosing the Miniature Lock, designed to provide a compact and durable layer of security for your Mission Pouches. This guide contains important safety instructions and usage information to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Always inspect the Miniature Lock before use to ensure it is in proper working condition.
- Keep the lock out of reach of children to prevent accidental use or injury.
- Do not use the lock for purposes other than securing Mission Pouches or similar items.
- If the lock is damaged or shows signs of wear, discontinue use immediately and replace it.
- Ensure that the lock is properly secured to prevent accidental release.

Specific Safety Precautions for Use

- Use the lock only as intended. It is designed specifically for the German Tactical Systems Mission Pouches.
- Do not expose the lock to extreme temperatures or harsh chemicals, as this may compromise its integrity.
- Avoid using excessive force when locking or unlocking the shackle to prevent damage.
- When traveling, check that the lock is securely fastened to your items before moving.
- For added security, periodically change the combination to the lock.

Instructions for Installation and Usage

1. Setting the Combination:

- The Miniature Lock features a resettable 3digit combination.
- To set your combination, follow these steps:
 - Open the lock by pressing the shackle down.
 - Set the combination to the default (000).
 - Locate the reset button on the lock.
 - Press and hold the reset button while turning the dials to your desired combination.
 - Release the reset button and test the new combination to ensure it works.

2. Using the Lock:

- Slide the slim shackle through the welded zipper tabs of your Mission Pouch.
- Ensure the shackle is fully inserted and securely locked.
- To unlock, enter your combination and press the shackle down to release.

3. Storage:

- When not in use, store the lock in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- When the Miniature Lock reaches the end of its life or is no longer usable, dispose of it in accordance with local waste disposal regulations.
- Do not dispose of electronic components in regular household waste. Check for local recycling programs.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe use of your Miniature Lock, enhancing the security of your gear while traveling or in storage. Thank you for prioritizing safety.
