Seater Spindle Safety Instructions

Introduction

Thank you for choosing the Seater Spindle. This precisionmade tool is designed for seating dies and is a highquality replacement part for fast and precise adjustment of seating depth. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the Seater Spindle by following the instructions provided in this guide.
- Be aware that risks not addressed by other EU laws are covered under the EU General Product Safety Regulation (GPSR).
- Regularly check for any recall updates related to this product via the EU's Safety Gate platform.
- Always use the Seater Spindle in accordance with its intended purpose.
- Extra precautions should be taken if the product is used by vulnerable groups, including children.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the Seater Spindle.
- Ensure that the work area is clean, welllit, and free from distractions.
- Inspect the Seater Spindle before use for any signs of damage or wear. Do not use if damaged.
- Keep the Seater Spindle out of reach of children and pets.
- Avoid any contact with moving parts during operation to prevent injuries.
- Do not exceed the recommended seating depth or force when using the Spindle to avoid damage to the tool or the dies.

Instructions for Installation and Usage

1. Installation:

- Ensure the work surface is stable and secure.
- Align the Seater Spindle with the die according to the manufacturer's specifications.
- Secure the spindle in place using the appropriate tools and techniques to ensure it is firmly attached.

2. Usage:

- Adjust the seating depth gradually, checking frequently to ensure accuracy.
- Use the Seater Spindle only with compatible dies from Triebel Waffenwerkzeuge.
- After use, clean the Seater Spindle with a soft cloth to remove any debris or residue.

Disposal Instructions

- Dispose of the Seater Spindle in accordance with local regulations for metal products.
- Do not dispose of the Seater Spindle in regular household waste.
- If the product is no longer usable, consider recycling it at a designated facility to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Seater Spindle, please reach out to your local

distributor or the manufacturer directly.

By following these safety instructions, you can ensure a safer experience while using the Seater Spindle. Thank you for your attention to these guidelines.
